1. SCOPE

These General Terms and Conditions of Business and Carriage (“**GTBC**”) apply to air transport contracts concluded between you and Marabu Airlines OÜ (“**Marabu**”), irrespective of whether the individual flights are operated under a Marabu flight number (flight designator: MBU) and / or under the flight number of another airline.

2. PAYMENT AND TOTAL FARE

2.1. Payment

- 2.1.1. The total fares confirmed with the booking are only valid for the carriage of the person(s) named in the booking confirmation from the designated departure to the destination on the above-mentioned flight times. Total fare means the fare plus taxes and fees and, if booking at a travel agency, may also include a service charge. The fare is the price of the carriage excluding the service charge, taxes, fees or other duties or levies specific to air travel.
- 2.1.2. Payment of the total fare can generally be made by credit card (MasterCard, VISA, American Express, JCB, Discover, Diners Club International, UATP), or by bank transfer as well as, when booking via our website or our app, by online transfer (giropay, eps, iDEAL) or PayPal. Marabu reserves the right, however, to exclude some payment methods for certain distribution channels as well as for bookings on individual flight routes. Customers are not entitled to be allowed to use a particular payment method; cash payments are excluded. Bank transfers originating from foreign countries (the customer’s account is located outside Germany) are only permitted if all related fees are paid by the customer (transferring party) and the transfer is ordered in the EUR; otherwise, i.e., in the case of non-compliance, Marabu is entitled to invoice the customer for the costs incurred and/or for any exchange rate differences. The “bank transfer” payment method may only be used for flights booked 14 (fourteen) days or more before the departure date.

2.2. Due date / Partial payments not permitted / Settlement of payment

- 2.2.1. Payment is due in full at the time the booking is made. You are not entitled to make partial payments. Any partial payments you remit will be rejected. Any credit balances on your side which may arise from such a rejection will first be offset against any claims for receivables asserted by Marabu, and then any remaining balance will subsequently be paid out. Any partial payments you make on an existing receivable due will first be applied to the oldest receivable. A payment which is not sufficient to settle a receivable in full will be first applied against interest and then against the total fare.
- 2.2.2. Your credit card will be charged with the amount of the fare immediately after the booking has been completed, and, at the same time, the carriage documents will be sent. If you have selected to remit payment via the “bank transfer” payment method,

the total amount of the airfare must be transferred immediately, and the payment must be received by Marabu no later than within 5 (five) days after the date of booking.

2.3. Consequences of default of payment: Termination of contract by Marabu / cancellation fees

2.3.1. If the total amount of the airfare is not paid in full within 5 (five) days, Marabu is entitled to terminate the contract of carriage immediately and to cancel the booking as well as to demand compensation for loss or damages in accordance with the cancellation terms for the selected rate/fare as specified in Sections 5.3 of the GTBCs, if

2.3.1.1. Marabu sent you payment reminders, i.e., demanded payment, after the due date and prior to the cancellation, but did not receive the payment. The commencement of an action and a petition for a court order to pay shall be deemed to have the same effect as a payment reminder.

2.3.1.2. a calendar date was specified for the payment in the contract of carriage and the payment was not paid in full by that date. In this case, Marabu is not required to send a payment reminder;

2.3.1.3. the contract of carriage stipulates that the payment has to be remitted after an event specified in the contract and for a reasonable period of time thereafter, so that the date of the payment can be calculated, starting from the event, according to the calendar, and the payment was not paid in full by that date. In this case, Marabu is not required to send a payment reminder;

2.3.1.4. if you have seriously and definitively refused to remit the payment. Such a refusal to pay made be stated expressly by means of a corresponding declaration from you to Marabu or to a third-party via which you made the booking (e.g., your travel agency) or may be implied, for example by non-payment of the credit card charge or the like. In the event of such a refusal to pay, it is irrelevant whether the non-payment is attributed to your express intent or due to the fact that you failed to ensure there were sufficient funds in your credit card account. In this case, Marabu is not required to send a payment reminder;

2.3.1.5. if, taking the mutual interests of both parties into consideration, immediate commencement of the default is justified. This is particularly deemed to be the case if the flight departure is imminent and thus it is no longer possible to specify a payment deadline prior to the departure. In this case, a payment reminder is not required, and Marabu is entitled to terminate the contract with immediate effect, as well as refuse carriage and demand compensation for loss or damages.

2.3.2. The right of termination does not exist if you provide evidence that Marabu is solely or to a great extent responsible for the non-payment or delayed payment.

2.3.3. After the cancellation has been made, there is no more duty to transport the passenger and a cancellation fee must be paid pursuant the Marabu cancellation terms or terms and condition for rates and fares in accordance with 5.

- 2.3.4. You are entitled to prove that in this specific case, Marabu has incurred loss or damages less than the amount of the agreed cancellation fees or has not incurred any loss or damages at all. Insofar as you provide proof of this, only the lower amount of the loss or damages shall be reimbursed.

2.4. Consequences of default: Default interest

- 2.4.1. In cases of non-payment or late payment (default of payment), Marabu is entitled to charge default interest. In the case of a chargeback due to incorrect information provided by you or insufficient funds, Marabu is entitled to assess a flat fee for the chargeback.
- 2.4.2. In the case of a chargeback for credit card payments, the flat fee is 15 Euro per booking; in the case of a chargeback at the ticket counter the flat fee is 30 Euro. Likewise, in the event of a chargeback for credit card payments, including chargeback for credit card payments relating to a payment made aboard our aircraft (in-flight shopping) Marabu is entitled to charge a flat fee of 15 Euro for the chargeback. You are entitled to prove that in this specific case, Marabu has incurred loss or damages less than the amount of the flat fee for the chargeback or the flat fee for a chargeback for the payment made at the ticket counter, or even that Marabu incurred no loss or damages at all. Insofar as you provide proof of this, only the lower amount of the loss or damages shall be reimbursed.
- 2.4.3. In the event of a chargeback of a SEPA core direct debit authorisation due to insufficient funds (in-flight shopping), Marabu is entitled to debit the resulting outstanding amount due, including the aforementioned chargeback fee, from your account again, as per the SEPA core direct debit authorisation. Therefore, the SEPA core direct debit mandate provided by you also extends to claims arising from chargebacks due to insufficient funds and any claims for compensation for loss or damages. Marabu is entitled to commission a third party to process the SEPA core direct debit.

2.5. Fare; Changes to the total fare

- 2.5.1. The services and total fares confirmed at the time of booking apply. Following the conclusion of the contract, changes to the total fare shall be permitted until the 21st day prior to the agreed flight date in the event of a change to or introduction of taxes and fees or other duties or levies specific to air travel (e.g. airport fees, airport premiums, special charges or other levies or duties specific to air travel for certain services) and of charges specific to air travel or costs of emission certificates, to the extent that there are more than 4 (four) months between the conclusion of the contract and the agreed flight date. Marabu will promptly inform you about any such change once Marabu becomes aware of it and if the change was not under Marabu's control at the time the contract was concluded.
- 2.5.2. In the event that the taxes and fees and other duties and levies specific to air travel specified under point 2.5.1 are increased or decreased in relation to a seat, the subsequent additional or lesser charge shall be settled by passing the difference on to the passenger. In other cases, the additional or reduced costs shall be divided by the

number of seats in the aircraft. Marabu will then charge or credit you for the resultant amount calculated for the individual seat. In the event of price increases of more than 5% of the total airfare that occur after the conclusion of the contract, you shall be entitled to withdraw from the contract without incurring any costs as a result.

3. SEAT RESERVATION AND RESERVATION OF SPECIAL SERVICES

3.1. Seat reservation

- 3.1.1. Seats can be reserved up until 48 hours prior to departure subject to availability. Fees for seat reservations may no longer be refunded once the first flight has departed. Changes to seat reservations may be made up until 48 hours before departure subject to availability. If changing to a higher-priced seat, the price difference shall be payable upon making the change.
- 3.1.2. We must draw your attention to the fact safety regulations imposed by the authorities stipulate that the following groups of persons may not sit in the emergency exit row (XL seats):
 - 3.1.2.1. Babies and children under 14 years;
 - 3.1.2.2. Expectant mothers;
 - 3.1.2.3. Persons, who are not able to speak German and/or English;

 - 3.1.2.5. Persons with physical and/or mental impairments;
 - 3.1.2.6. Persons with restricted mobility due to their size, health, or age.
- 3.1.3. By reserving a seat adjacent to one of the emergency exits, you warrant that the above-mentioned criteria do not apply to you or persons booked by you. Moreover, you must be prepared to assist the on-board staff in an emergency. This requires that you can follow the crew's instructions given in German or in English. Should this not be the case, Marabu is entitled to assign another seat to the person concerned without entitling him or her to reimbursement of the seat reservation charge paid. Should it prove impossible to assign an alternate seat to the person concerned, having exhausted all available options Marabu is entitled to refuse carriage.
- 3.1.4. For children aged 2-11 you pay the adult fare for a seat reservation.
- 3.1.5. We advise you to make your seat reservations in good time, no later than 48 hours prior to departure. The reservation can also be made with us after you have booked or when booking a package tour.
- 3.1.6. For Marabu Business Class and Economy Best customers, the seat reservation, if available, is included in the fare at no extra charge.
- 3.1.7. Unfortunately, your seat reservation will not be considered when there is a change of aircraft type. For a refund of the fee paid, please contact the Service Centre.

3.2. Additional free seat ("Extra Seat")

- 3.2.1. During Online Check-In and at the airport, Economy Class passengers can book an additional seat next to them subject to availability.
- 3.2.2. The additional free seat must be directly located next to your booked seat in the same row, even across the aisle, and cannot be in front or behind you. Additional free seats can be reserved for individual participants in a booking regardless of the fare booked and are available for adults, children and infants (under the age of 2 years). It is not possible to book an additional free seat in the emergency exit rows (XL seats).
- 3.2.3. In the event of a change of aircraft at short notice due to operational reasons, the Extra Seat cannot always be guaranteed. For a refund of the fee paid, please contact the Service Centre.

3.3. Reservation of special services

You can book numerous other special services with Marabu such as the carriage of sports equipment and special baggage, and premium and special meals subject to availability. Reserved special services may be changed or cancelled free of charge up until 48 hours before departure. If changing to a higher-priced special service, the price difference shall be payable immediately upon making the change. Special services may not be changed or cancelled free of charge less than 48 hours before departure of the first flight.

4. TICKET AND CARRIAGE DOCUMENTS

Marabu renders the agreed carriage service only on behalf of the passenger named in the booking confirmation or ticket or other carriage document; the passenger must verify his or her identity by way of a valid ID document. The passenger's first name and surname must match. Carriage documents are non-transferable. If you are not travelling with an electronic ticket, you have an entitlement to carriage only upon presentation of a valid carriage document issued in the name of the passenger in conjunction with a valid ID document. measurement. If an elevated temperature is detected, which depends on the specific requirements of the destination, carriage may be refused.

10.4. The right to refuse carriage due to the passenger's improper conduct

The passenger's conduct on an earlier flight constitutes significant grounds to assume that such conduct may be repeated.

The passenger is not in possession of valid travel documents, or the passenger wants to enter a country that he/she is only entitled to pass through, or for which he/she does not have valid entry documents; the travel documents were destroyed during the flight or the passenger refused to provide them to the crew, despite being requested to do so in exchange for a receipt.

The baggage cannot contain:

- 10.8.1.2. Items which are prohibited for carriage according to the relevant regulations imposed by the country of departure, the country of destination or by the country over which the flight passes.
- 10.8.1.3. Lithium batteries or lithium accumulators (common in electronic devices such as laptops, mobile phones, watches, cameras) can be carried only in carry-on baggage. Further details can be found on Marabu's website (www.flymarabu.com).
- 10.8.1.4. If you carry on your person or in your baggage weapons of any kind, including but not limited to (a) firearms, blunt or sharp weapons as well as

sprayers that can be used for attack or defence purposes (b) ammunition and explosive substances (c) objects that due to their external form or markings give the impression of being weapons, ammunition, or explosive substances, you are obliged to notify us of this prior to starting your journey. The carriage of such objects is only allowed (including by police officers) if they are conveyed as cargo or checked in as baggage in accordance with the regulations governing the carriage of hazardous goods.

- 10.8.1.5. Weapons of all kinds, including but not limited to firearms, blunt or sharp weapons and sprayers. Hunting and sporting weapons may be allowed as baggage at our discretion. To this end, your item of baggage must be opened, and the dangerous item removed. No liability for the item removed is assumed by Marabu. We assume no liability for any damage to the item of baggage or its contents incurred due to the opening of the item of baggage and the removal of the offending item.

11. CARRIAGE OF ANIMALS ON MARABU FLIGHTS

11.1. General regulations, conditions for the transport of animals, exclusion of certain species of animals

- 11.1.1. The transport of dogs, cats and other domestic animals is subject to Marabu's consent and, if the flight is operated by another air carrier, also their consent. Transportation must be booked via the website or the Marabu Service Centre. The booking must be made no later than 48 hours prior to departure and only on direct flights, since a transfer of feeder flights cannot be carried out. Further information is available at Marabu's website (www.flymarabu.com).

- 11.1.2. In general dogs and cats are only transported within the EU if they are at least 4 months old; dogs and cats from unlisted third countries must be at least 7 months old. In addition, the animals must be properly contained in travel crates and have valid health and vaccination certificates, entry permits, and other entry or transit documents as required by the applicable countries. Marabu reserves the right to define the type of carriage and the maximum number of animals permitted per flight. Further information is available at Marabu's website (www.flymarabu.com).
- 11.1.3. Certain dog breeds are barred from being transported as pets due to their classification as fighting dogs (Listed Dogs). These include the following breeds, for example: Pit Bull Terrier, American Pit Bull, American Staffordshire Terrier, Staffordshire Bull Terrier, Bull Terrier, American Bulldog, Dogo Argentino, Fila Brasileiro, Kangal (Karabash), Caucasian Ovcharca, Mastiff, Mastino Napoletano, Rottweiler and all mixed breeds.
- 11.1.4. The carriage of snub-nosed pets is also excluded on our flights (cabin and cargo bay). Snub-nosed dog and cat breeds are particularly susceptible to temperature and stress. Therefore, their carriage on a flight can lead to serious health problems or even, in the worst case, the death of such animals.
- 11.1.5. Examples of snub-nosed dog breeds include: Boston Terrier, Boxer, Bulldog (all breeds except American Bulldog), Chow-Chow, Griffon Bruxellois, Japanese Chin, English Toy Spaniel, Pug, Pekingese, and Shi Tzu.
- 11.1.6. Examples of snub-nosed cat breeds include: Persian, Burmese, Himalayan, and exotic short-hair cats. This also applies to mixed breeds.
- 11.1.7. In the event of a violation of the above provisions, Marabu is entitled to refuse to transport the animal. Marabu cannot be held responsible for any resulting losses or damage, including indirect losses.

11.2. Payable costs for the transport of animals

The weight of the animals, of the travel crates and pet food are not included in the passenger's free baggage allowance. There is a fee to transport animals. In addition, the special terms of 11.3 will apply. The animal carriage charges, and other information can be found on Marabu's website (www.flymarabu.com). Animals traveling in the cabin (including their travel crates) must fit under the foot area of your seat in the carriage category class booked and be properly secured for the entire flight.

11.3. Special regulations for assistance animals

- 11.3.1. Assistance dogs (guide dogs, therapy dogs and similar assistance dogs), their travel crates and pet food will be transported without an additional fee and will not be applied to the free baggage allowance. These animals will be transported free of charge in the cabin provided that the passenger provides proof of medical necessity. If traveling in a travel crate in the cabin these animals must fit under the foot area of your seat in the carriage category class booked.
- 11.3.2. Please note that snub-nosed dog breeds are particularly susceptible to temperature and stress. Therefore, their carriage on a flight can lead to serious damage to health

or even, in the worst case, the death of such animals. We therefore do not recommend the transporting of the following dog breeds on one of our flights (cabin or hold): Boston Terrier, Boxer, Bulldog (all breeds except American Bulldog), Chow-Chow, Griffon Bruxellois, Japanese Chin, English Toy Spaniel, Pug, Pekinese, Shi Tzu.

11.4. Conditions for taking assistance animals

- 11.4.1. Passengers who wish to travel with an assistance dog are asked to notify us at least 48 hours before departure, or immediately in case of bookings made at shorter notice, and to arrive at the airport in good time. We recommend arriving at the airport at least two hours before departure, for intercontinental flights at least three hours.
- 11.4.2. Please note: in order to ensure a safe and trouble-free flight, the animal must be trained to behave properly in a public environment. We allow passengers to transport animals in the cabin only under the condition that the animal obeys its owner and acts properly. If the animal does not act properly, the passenger may be asked to put a muzzle on it during transport, to have the animal transported in the baggage compartment (if a travel crate is available), or alternatively, transport may be refused.

11.5. Travel documents for the transported animal, valid legal requirements, entry of an assistance animal to the USA

- 11.5.1. Passengers must inform themselves completely at the responsible agencies about the directives of the valid in the country in question for entry or transit by the animal. Marabu does not examine the passenger's statement, or the documents presented by the passenger for correctness and completeness. In addition, passengers commit themselves to have all the papers necessary for transport of the animals (entering and leaving the country, health and other papers) with them completely.
- 11.5.2. If you wish to travel to the USA with an assistance dog, a "U.S. Department of Transportation Service Animal Air Transportation Form" must be completely filled out, presented and carried, and for flights with an expected flight duration of more than eight hours, the "U.S. Department of Transportation Service Animal Relief Attestation Form" must also be completely filled out, presented and carried. The document(s) required for travel to the USA for the transport of assistance dogs must always be presented to Marabu at least 48 hours prior to departure; for bookings made at shorter notice, presentation at the gate on the day of departure is sufficient.
- 11.5.3. Further, Marabu is not liable for consequences, losses or expenses due to the passenger's failure to observe the respective country's valid regulations, also including re-entry into an EU state, for the entry or transit of the animal or to the passenger's failure to present the proper entry, exit, health or other papers.
- 11.5.4. If the aforementioned valid regulations are violated, the passenger is obliged to pay the fine and/or the expenses (especially quarantine costs) imposed on Marabu by the country concerned or, in case of advance payment by Marabu, to reimburse Marabu. The passenger is also obliged to pay the applicable total fare if Marabu is required to transport the animal to the point of departure or another location by official order. For payment of the total fare concerned, Marabu can use the money paid by the passenger for unused carriage or any means of payment of the passenger that is in the

possession of Marabu at the time. No refund is made for the fare paid for carriage to the place of refused entry or deportation of the animal. The passenger is liable for all damage caused by the animal to Marabu or to third parties within legal limits and indemnifies Marabu from all liability in this respect.

12.1. Conditions for the carriage of minors under 16 years

12.1.1. The regulations below apply to the carriage of minors under 16 years of age (hereinafter referred to as “**minors**”) on flights operated by Marabu. If the flight in question is operated by an airline other than Marabu, such other airline’s conditions for the carriage of minors shall apply exclusively.

12.1.2. Subject to the regulations under points 12.1.3 to 12.1.5 below, minors may only travel when accompanied by the following persons:

12.1.2.1. at least one of their parents, who must themselves be over 16 years of age and must not themselves be accompanied under the Marabu accompanying service, or

12.1.3. The payable Marabu accompanying service (see point 12.2; advance booking necessary) enables minors from ages 5 to 15 inclusive to travel either unaccompanied, or accompanied by persons who do not fulfil the criteria listed in points 12.1.2.1 to 12.1.2.3.

12.1.4. Minors from ages 12 to 15 inclusive can also travel unaccompanied, or accompanied by persons who do not fulfil the criteria listed in points 12.1.2.1 to 12.1.2.3, if Marabu is notified of this no later than 48 hours prior to departure. In this case it is not necessary to use the Marabu accompanying service.

12.1.5. The conditions for the carriage of minors on flights operated by Marabu are summarised below:

--	--

12.1.6. If the above conditions for the carriage of minors are not fulfilled, Marabu is entitled to refuse carriage.

12.1.7. In cases where a minor under 12 years of age is accompanied by only one parent, it helps to avoid misunderstandings and complications if written confirmation from the other parent is presented, authorising the minor to take the flight or flights with the accompanying parent.

12.1.8. The age limits apply with respect to the time at which the respective carriage commences.

12.2. Marabu accompanying service

12.2.1. Under the Marabu accompanying service, Marabu undertakes to supervise minors from ages 5 to 17 inclusive, who are either unaccompanied or accompanied by persons who do not fulfil the criteria listed under 12.1 (hereinafter referred to as “**UM**”) at the departure and destination airports as well as on board the aircraft.

12.2.2. The Marabu accompanying service is only available on direct flights operated by Marabu. It must be booked no later than 48 hours prior to departure via the Marabu Service Centre. The fees for the Marabu accompanying service are listed on Marabu’s website (www.flymarabu.com).

12.2.3. In order to use the Marabu accompanying service, the UM travelling must be handed over to Marabu at the departure airport by a person authorised to do so. If this requirement is not met, Marabu is entitled to refuse the supervision and carriage of the UM.

12.2.4. When using the Marabu accompanying service, the complete details (name, address, telephone number) of the accompanying person bringing or picking up the UM, up until the point of handing over or taking charge of the UM, will be required at the departure airport. In the event that this is not the parents, an authorisation from the parents to check in and pick up the UM must be presented. For security reasons, the person accompanying the UM must present valid photo ID when checking in and handing over the UM at the destination.

12.3. Fees for the carriage of infants (under 2 years of age)

12.3.1. No more than one infant under 2 years of age (hereinafter referred to as “**infant**”) may travel per full-fare paying adult without the infant requiring a separate seat. A second infant may travel on request accompanied by one adult only if a seat is booked for the second infant at the regular fare. This is only valid for flights operated by Marabu.

12.3.2. An infant must be booked as a full-fare paying child for both the outward and the return flight and paid for as such if the infant concerned reaches the age of 2 years prior to the return flight.

13. PREGNANT WOMEN AND PERSONS REQUIRING SPECIAL ASSISTANCE

13.1. Pregnant women

13.1.1. For safety reasons, pregnant women may no longer fly with Marabu from the 36th week of pregnancy (32nd week of pregnancy for multiple pregnancies). Between the 28th and 36th week of pregnancy (only up to the 32nd week of pregnancy for multiple pregnancies), a medical certificate concerning the ability to fly, which may not be dated more than 10 days before the date of departure, must be presented.

13.2. Special assistance

13.2.1. For best-possible preparation, please inform Marabu at the time of booking (but no later than 24 hours before departure) about any need for assistance, for instance in transporting persons with disabilities, expectant mothers, persons with health issues or others requiring special assistance. We cannot guarantee full assistance if this information is not provided to us at all, or not in good time.

13.2.2. We will not exclude any passengers due to their need for assistance, provided that they have advised us of their need for special assistance at the time of booking and we have accepted them for carriage.

13.3. Special terms of carriage with other carriers

Carriage of pregnant women and passengers in need of special care on a flight, which is operated by another air carrier than Marabu, requires the consent of this air carrier. This consent must be obtained from this air carrier no later than 72 hours before the departure time specified in the ticket, booking confirmation or other carriage document.

14. BAGGAGE REGULATIONS

14.1.1. Depending on the class of carriage you have selected and any tariff you have selected, you may take a certain amount of luggage with you as a free luggage allowance within the framework of the carriage by air. The free luggage allowances are shown on the ticket, booking confirmation, other carriage document or the advertisement on which your offer for conclusion of an air carriage contract is based. The carriage of such baggage that exceeds the free baggage allowance and the carriage of special baggage are subject to a fee. At the check-in counter, random checks will be carried out on your baggage.

14.1.2. We would like to point out that the items listed in Section 10.8 may be contained in neither your checked baggage nor your carry-on baggage. Additionally, we wish to advise you that your carry-on baggage may contain no pointed and sharp objects such as knives, scissors or the contents of a manicure set, etc. Such items belong in the checked baggage.

14.1.3. If feeder flights to and/or from departure and/or destination airports for your Marabu flights are used that are executed by another airline company, the General Terms and Conditions of the Carriage of Passengers and Baggage of the airline company

concerned apply for the entire route of the given feeder flights. Insofar as you have reserved special services or registered special baggage, the reservation concerned applies to the route served by Marabu only. The same applies to reductions and/or benefits passengers are entitled to by way of their bookings in our Business Class.

14.1.4. The fees for excess baggage can be found on Marabu's website (www.flymarabu.com).

14.2. Carry-on baggage

14.2.1. The following dimensions and weight restrictions apply to the regular hand luggage allowance in the relevant travel class, applicable per person. The weight restrictions in each fare apply to all hand baggage pieces in total:

* One additional item of hand luggage with maximum dimensions of 55 x 40 x 20 cm can be booked for an additional fee. For more information, click here (www.flymarabu.com).

14.2.2. As soon as the maximum allowable weight or dimensions or the allowable number of items of hand luggage is exceeded, the excess baggage must be stowed in the cargo hold, and an additional fee for excess baggage is owed. The current excess baggage

fees are posted on our website. There is no hand luggage allowance for infants and toddlers under the age of 2 years.

- 14.2.3. Such items as are then unsuited to carriage in the hold (e.g., fragile musical instruments) are accepted for carriage in the cabin only in cases where they have been registered with us in advance and we have confirmed their carriage. In such cases, the carriage of this special baggage is subject to payment of the relevant charges.
- 14.2.4. In accordance with Regulation (EC) 1546/2006, you may take on board all flights departing from European airports (including international flights) in your carry-on baggage liquids, pressurised containers (e.g., sprays), pastes, lotions and other gel-like substances, not to exceed 100 ml per packaging unit. The quantity printed on the container, not the actual contents, will apply. The individual containers must fit fully into a re-sealable, transparent plastic bag with a maximum capacity of one litre and will be checked at the security counter. Only one bag per passenger is permitted. Special regulations apply to medicines and baby food. Various non-EU states have introduced the same or similar regulations. Passengers can obtain further information in this respect from us or our authorised agents.

14.3. Excess baggage

- 14.3.1. In the event that your carry-on baggage exceeds the maximum weight for carry-on baggage and/or total baggage allowed for the given flight, we are entitled to charge a fee for the excess baggage.
- 14.3.2. The excess baggage charges can be found on Marabu's website (www.flymarabu.com).
- 14.3.3. In the event that you leave baggage behind at the check-in counter or departure gate, we assume no liability whatsoever for the baggage concerned. Should costs be incurred for the baggage you leave behind or for its safe custody or disposal, the costs concerned are payable by you.

14.4. Child car seats on board Marabu flights

- 14.4.1. An EU ruling on the safety restraint of infants (under the age of 2 years) in aircraft has been in force since 16 July 2008. According to the provisions set out under this directive, infants (under the age of 2 years) are to be restrained either via a loop belt or via child safety seats. Marabu recommends the use of an approved child safety seat during the flight, particularly for infants (under the age of 2 years). Kindly note that you will have to book a seat for the infant (under the age of 2 years) concerned as a child paying the full fare. Certain seats are designed to accommodate child safety seats on board. If you wish to use your child safety seat on board, kindly register it with us in good time (Monday to Friday at least 48 hours prior to departure). Non-registered child safety seats will not be assigned dedicated seats without prior booking, and carriage in the cabin may be refused.
- 14.4.2. Qualification procedure for child restraint systems for use in aircraft in accordance with TÜV Doc.: TÜV/958-01/2001

- 14.4.2.1. Child safety seats that have been licensed and appropriately coded by the relevant authorities of a given EU member state, the FAA (aviation authority in the USA) or Transport Canada (on the basis of a national technical standard) for exclusive use in aircraft.
- 14.4.2.2. Child safety seats that have been licensed pursuant to the UN standard ECE R 44, -03 or a later version for use in motor vehicles.
- 14.4.2.3. Child safety seats that have been licensed pursuant to the Canadian standard CMVSS 213/213.1 for use in motor vehicles and aircraft.
- 14.4.3. Child safety seats that have been licensed pursuant to the US standard FMVSS no. 213 for use in motor vehicles and aircraft and have been manufactured in accordance with this standard on or after 26 February 1985. US-licensed child restraint systems that were manufactured after this date must carry a sticker with the following text in red:

"THIS CHILD RESTRAINT SYSTEM CONFORMS TO ALL APPLICABLE FEDERAL MOTOR VEHICLE SAFETY STANDARDS"; and

"THIS RESTRAINT IS CERTIFIED FOR USE IN MOTOR VEHICLES AND AIRCRAFT".
- 14.4.4. In addition, child safety seats must be approved for securing via two-point belts (lap belts).
- 14.4.5. We apologise for any inconvenience caused due to the fact that as a rule, we may permit the use of only this type of child safety seat on board. Should a seat fail to comply with these requirements, our flight attendants are entitled to refuse the use of the seat concerned and stow it separately in the hold. In such cases, infants (under the age of 2 years) will be restrained via a loop belt or on the lap of the accompanying adult. No refund for the cost of the infant's (under the age of 2 years) own seat is possible in such cases.

14.5. Carriage of sports equipment and special baggage

- 14.5.1. The carriage of sports equipment and special baggage is subject to payment of the relevant charges.
- 14.5.2. For our passengers booked in the Marabu Business Class, we will convey one piece of sports equipment up to 30 kg (200 cm length x 40 cm width x 100 cm height or 300 cm length x 40 cm width x 60 cm height) without a surcharge. Timely registration thereof is required no later than eight hours prior to departure. Kindly register your sports equipment free of charge via our service centre or a travel agency of your choice. In the event of failure to register on time, we cannot guarantee carriage of these items.
- 14.5.3. The special and excess baggage charges can be found on Marabu's website (www.flymarabu.com).

14.6. Transport packaging for sports equipment and special baggage

- 14.6.1. The carriage of sports equipment and special baggage and sports equipment is possible only in suitable transport packaging or transport containers. Each item of sports equipment must be packed and checked separately, i.e. separate from the normal baggage you check. Failure to comply with this will result in your entire baggage being charged at current excess baggage rates which could possibly exceed the flat-rate charge for sports equipment and special baggage. The staff members at the check-in counter reserve the right to carry out random checks on sports equipment and special baggage and, if necessary, to refuse carriage in the event of non-compliance with the relevant regulations. Please note that sports equipment may contain no articles other than those required specifically for carrying out the sports activity concerned – this applies above all to clothing. Kindly note that sports equipment and special baggage must be registered. Registration thereof is only possible up to eight hours prior to departure.
- 14.6.2. No registration of special baggage is required in respect of strollers, buggies, child travel beds and child car seats if the items concerned are not to be used on board. Moreover, sunshades and excess baggage in suitcases up to 20 kg over the free baggage allowance do not have to be registered. Due to the extended period of time needed for checking in sports equipment and special baggage, you are kindly asked to report to the check-in counter no later than 120 minutes (in the case of USA / Canada flights 180 minutes) prior to the scheduled departure time. The charges for the carriage of sports equipment and special baggage as well as for excess baggage are payable when registering by credit card, but no later than at the time you check in. Subsequent payment is not possible.
- 14.6.3. In the event that feeder flights to and/or from departure and/or destination airports are used, the terms of the airline company executing the first flight segment apply for the entire route. You are urgently advised to contact the airline company concerned in advance for any information you may require.

14.7. The checked baggage cannot contain:

- 14.7.1. Cash, jewels, precious metals, cameras, mobile telephones, electronic devices (e.g., laptops or PCs), fragile low-vision aids, business papers, samples, valuable works of art with a market value in excess of 300 Euro, perishable and fragile items, passports and other identification documents, urgently needed medicines as well as valuables in excess of 300 Euro (the replacement value applies) insofar as they are not used for clothing purposes.
- 14.7.2. Pursuant to Article 20 of the Montreal Convention, Marabu assumes no liability for damage to or loss of articles that are improperly included in checked baggage contrary to the above regulations. This also applies to consequential and indirect damage that may arise due to the carriage of such items in checked baggage.

15. LIABILITY AND CLAIM ASSERTION DEADLINE

Marabu is liable according to the legal regulations as well as the conditions of this

GTBC.

15.1. Liability according to the Montreal Convention

The carriage of persons, baggage and freight is subject to the convention of 28 March 1999 for the standardisation of certain regulations concerning international carriage by air (Montreal Convention) and to Regulation (EC) 2027/97 as amended by Regulation (EC) No. 889/02. The Montreal Convention regulates and limits the liability of Marabu in respect of death or personal injury as well as of the loss of or damage to baggage and of delays.

15.2. Liability is limited according to the Montreal Convention as follows:

- 15.2.1. There are no maximum liability limits in respect of the death or personal injury of passengers. In the case of personal injury up to an amount of 128,821 SDRs (approx. 165,000 Euro) Marabu is excluded from raising objections based on culpability. However, if an injured party was partly responsible for the injury, the standards of the applicable laws regarding the exclusion or reduction of duty for compensation due to joint responsibility will apply. For any damage in excess of the above, Marabu is not liable if it can prove that the damage is not attributable to illegal and culpable action or neglect on its part or on the part of persons appointed by it or is exclusively attributable to the illegal and culpable action or neglect of a third party (Article 21 MC). Marabu will pay an advance amount for coverage of the immediate economic needs of the claimant concerned of no less than 16,000 SDRs (approx. 20,500 Euro) within 15 days of ascertainment by the person entitled to compensation of damages.
- 15.2.2. In the case of the destruction, loss in full or in part, damage or delay of checked baggage, liability is limited to 1,288 SDRs (approx. 1,650 Euro). In the event that the value of the baggage you check exceeds this amount, you should provide the air carrier with notification to this effect or ensure prior to the journey that your baggage is fully insured. The price of carriage does not include insurance. You are urgently advised to obtain insurance covering cancellation of travel as well as loss of or damage to baggage. We would be pleased to broker such coverage via our insurance partner HanseMerkur Reiseversicherung AG, Siegfried-Wedells-Platz 1, 20354 Hamburg, Germany. We are not responsible for claims settlement.
- 15.2.3. In case of the delay of carriage of the passenger by air, liability is limited to 5,346 SDRs (approx. 6,835 Euro).

15.3. The passenger's disclosure and reporting obligation in the event of damage, (partial-) loss or destruction of luggage

- 15.3.1. Any damage, loss in full or in part or destruction of baggage must be reported to us in writing as soon as possible. In the case of damage or loss in full or in part, notification of the damage or loss must be made at the airport; you will be provided with a Property Irregularity Report. If the checked baggage is accepted at the baggage delivery point, we assume (unless proof to the contrary is supplied) that we delivered the checked baggage to you in an undamaged and complete state. Any scratches, small dents and scrapes do not constitute damage to the checked baggage, as these are signs of the

wear and tear caused by the intended use. Kindly ensure that your baggage is capable of withstanding the stress and strain of air carriage and is above all adequately waterproofed. The limitations of liability do not apply insofar as damage is attributable to wilful or negligent behaviour on the part of Marabu.

- 15.3.2. In the case of damage to or the partial loss of checked baggage, written notification to this effect must be sent to us without delay, but no later than 7 days after you are in possession of the baggage or within 21 days in the case of delayed baggage. The time of mailing the written notification applies. The supply of a Property Irregularity Report does not equate to compliance with the above-mentioned deadlines.
- 15.3.3. If the damage is attributable in part to the culpable behaviour of the party suffering the damage, the relevant statutory requirements in respect of the exclusion of or reduction in the obligation to pay compensation apply in the case of contributory negligence by the injured party. This also applies to the extent the party suffering the damage fails to meet with his obligation to mitigate and minimise loss. Marabu is not liable for any damage arising from its compliance with statutory requirements or your non-compliance with duties arising from the requirements concerned.
- 15.3.4. The provisions set out under the Montreal Convention remain unaffected by the above-mentioned requirements.

15.4. Time limit for bringing a complaint

Claims for compensation may be asserted only within a period of two years starting from the day on which the aircraft reaches its destination, on which it should have reached its destination or on which carriage was interrupted.

16. FLIGHT TIMES, DELAYS AND FLIGHT CANCELLATIONS / FLIGHT TIME CHANGES, PASSENGER RIGHTS

16.1. Change of the scheduled departure time due to exceptional circumstances, immediate notification of the passenger

- 16.1.1. Marabu is entitled to change the planned departure times if the change is due to exceptional circumstances that could not have been avoided even using all reasonable measures.
- 16.1.2. Such exceptional circumstances can include in particular political instability, weather conditions that contraindicate the operation of the respective flight, safety/security risks, unexpected flight safety problems and a strike that impedes the operations of an airline company. Marabu has the burden of proof that the change is due to exceptional circumstances that could not have been avoided even using all reasonable measures.
- 16.1.3. Marabu will inform all passengers immediately upon obtaining knowledge of the required changes to the departure time.

16.2. Change of the scheduled departure time due to flight operational reasons, notification of the passenger 2 weeks in advance of scheduled departure

- 16.2.1. Marabu is also entitled to change the planned departure times if the change is announced at least two weeks before the planned departure time and is due to air traffic-related reasons that could not have been avoided even using all reasonable measures.
- 16.2.2. Air traffic-related reasons can include in particular necessary changes as part of the federal assignment of take-off and landing rights (slot assignment) and restricted operations at airports, as well as reasons related to national and international flight safety and traffic regulation agencies. Marabu has the burden of proof that the change is due to air traffic-related reasons that could not have been avoided even using all reasonable measures.
- 16.2.3. Marabu will inform all passengers immediately upon obtaining knowledge of the required changes to the departure time.

16.3. Change of aircraft, vicarious agents, notification of passenger

- 16.3.1. Marabu is – if necessary - entitled to change the aircraft used and transfer carriage in full or in part to a third party/subcontractor, in which case Marabu remains responsible for the carriage booked.
- 16.3.2. In the event of changing to another airline company, Marabu will immediately initiate all appropriate steps in order to ensure that the passenger is informed about the change as quickly as possible. The passenger is always informed when checking in, at the latest however, when boarding the aircraft (EC regulation 2111/05).

16.4. Change of flight due to extraordinary circumstances

- 16.4.1. Except where expressly stated differently elsewhere in these GTBCs, Marabu cannot pay any compensation, damages, expenses, costs, losses or any other amount of any description or otherwise accept responsibility if Marabu has to change or cancel your flight or your flight cannot be provided as or when agreed, or your flight arrangements prove deficient or you suffer any loss or damage of any description as a result of circumstances or an event beyond the control of Marabu, which Marabu could not foresee or avoid even after taking all reasonable care.
- 16.4.2. Such circumstances will usually include, but are not limited to war, serious security problems such as terrorist activity, airport closures, airspace closures (as well as other air traffic management decisions which may give rise to long overnight delays or cancellations of one or more flights), the inability of Marabu to operate flights as a result of the United Kingdom's decision to leave the European Union (including the loss or restriction of air traffic or transit rights or the right of other airlines to enter any airspace), civil unrest or events arising out of political instability, industrial dispute or strikes, fire, natural or nuclear disaster, bad weather and all similar circumstances and in all such cases whether, actual or threatened. References in these GTBCs to 'exceptional circumstances' mean such circumstances.

16.5. Notice pursuant to Regulation (EC) 261/2004 on passenger rights

- 16.5.1. In cases of non-carriage due to overbooking, flight cancellations and delays of at least two hours, you have the following rights as set out in the above-mentioned regulation. This notice is necessary but does not constitute any basis for asserting compensation claims or for interpreting the liability regulations laid down in the Montreal Convention.
- 16.5.2. The rights set out in the regulation only apply if you have a confirmed booking for the flight concerned, you appear at the check-in counter at the time indicated or, if no time is indicated, no later than 45 minutes prior to the scheduled departure time and you have booked the flight at a tariff available to the general public.
- 16.5.3. In the case of delays of more than 2 hours for flights of up to 1,500 km, of more than 3 hours for flights of between 1,500 km and 3,500 km and of more than 4 hours for flights of over 3,500 km, you are entitled to customer care services in the form of food and beverages in accordance with the carriage class booked and, depending on the length of the waiting time concerned, two telephone calls or telefaxes or e-mails and hotel accommodation in the event that the flight does not depart until the day after the scheduled date of carriage. Should the flight be subject to further delay on account of the provision of customer care services, you have no further entitlement to the services concerned. In the case of delays of more than 5 hours, you have the right to cancel the carriage contract and have the cost of the ticket refunded within 7 days, if the purpose of the journey is no longer relevant due to the delay, and, if applicable, the right to a return flight to the starting point of your journey at the earliest possible point in time.
- 16.5.4. In the case of overbooking, you are entitled to receive customer care services. Moreover, we will offer you alternative carriage to your destination airport under comparable conditions. If you refuse the carriage offered, you are entitled to have the ticket costs refunded. In all cases, you can claim compensation based on the distance the flight concerned travels. In the case of flights travelling up to 1,500 km, the compensation payment amounts to €250.00 per passenger; in the case of domestic flights travelling more than 1,500 km and all other flights with a distance between 1,500 km and 3,500 km, €400.00; and in the case of all other flights, €600.00. You have the choice between cash payment and a flight voucher. If we offer you an alternative flight to your destination airport and the aircraft arrives no more than 2, 3 or 4 hours late depending on the distance travelled, the compensation payment will be reduced by 50%. Your claim to the above-mentioned services will be excluded if you are refused carriage on the grounds of the regulations mentioned previously and those mentioned in the following.
- 16.5.5. In case of the cancellation of a scheduled flight, you have the same right to receive customer care services, compensation and the refund of ticket costs as in the case of non-carriage subject to the requirements mentioned. You have no claim to the above-mentioned rights if the cancellation is attributable to exceptional circumstances that could not be avoided despite all possible measures having been taken. Your claim to compensation also lapses if we inform you of the flight cancellation at least 14 days prior to the scheduled departure, or if we inform you between 14 and 17 days prior to the scheduled departure that the departure is delayed by no more than 2 hours and the arrival by no more than 4 hours, or less than 7 days prior to the scheduled departure

that the departure is delayed by no more than 1 hour and the arrival by no more than 2 hours.

16.5.6. Marabu is entitled to declare that any compensation payments are to be set off against claims for damage irrespective of the legal grounds of the case concerned.

17. ELECTRONIC DEVICES, SEATBELT FASTENING REQUIREMENT, NON-SMOKING FLIGHTS, ALCOHOLIC BEVERAGES, ALLERGIES, TRAVEL DOCUMENTS, VIOLATION OF ENTRY REGULATIONS AND LEGAL CONSEQUENCES

17.1. Electronic devices

The unauthorised operation of electronic devices on board, e.g. mobile telephones, laptops, CD players, electronic games and devices with transmission functions and walkie-talkies is prohibited and can be a punishable offense. Exceptions to this are hearing aids and cardiac pacemakers. Kindly observe the instructions given by the staff on board. Should you be unsure as to whether the operation of a device you have taken on board with you is permitted, please also contact the staff on board.

17.2. Seatbelt fastening requirement

Kindly note for your own safety that you are required to keep your seatbelt fastened during the entire flight whenever you are sitting in your seat. The instructions of the staff on board require strict compliance.

17.3. Non-smoking flights

Smoking is prohibited in all parts of the aircraft and during your entire stay on board. This includes electronic cigarettes. Violations of the ban on smoking will immediately result in legal action being taken and can cause the flight to be interrupted. Any costs incurred as a result are payable by you in all cases.

17.4. Alcoholic beverages

Consuming alcoholic beverages, you have brought on board yourself is prohibited during your entire stay on board the aircraft. If you do not obey this rule, you may be excluded from transportation in the future.

17.5. Allergies

Please note that, in your own interest but also in the interest of other passengers and the safety of the flight, you must inform us of any allergies you may have to certain foods or ingredients at least 24 hours prior to departure. Marabu cannot guarantee that passengers will not be exposed to allergens on board. We are under no obligation to transport passengers with allergies to certain foods or ingredients involving the risk of seriously endangering their own health and cannot guarantee the absence of those allergens in our food or air.

17.6. Travel documents

17.6.1. You are obliged and it is your own responsibility to obtain the entry and exit documents and visas needed for your journey and to observe all the regulations prescribed by the countries the aircraft flies over, to or from; the same applies to our relevant regulations and instructions. We are not liable for any consequences you may incur from your failure to obtain the necessary documents or comply with relevant regulations or instructions. You are obliged prior to departure to present entry and exit documents, visas, health certificates and any other certificates required by the relevant countries and allow us to make copies of the documents concerned. In case of short-term acquisition of data at the airport which are relevant for entry, we are entitled to charge a service fee. The charges for the collection of passenger data at the airport can be found on the Marabu website (www.flymarabu.com).

17.6.2. We reserve the right to refuse your carriage if you do not comply with the relevant requirements or your documents are incomplete. We are not liable for any losses or expenses you may incur due to your non-compliance with the given regulations.

17.7. Violation of entry regulations and legal consequences

17.7.1. If you are refused entry into a given country, you are then obliged to pay the fine imposed on us by the country concerned. You are moreover obliged to pay the applicable total fare in the event that you have to be brought to your place of departure or another location by order of the relevant authorities due to the fact that you may not enter a given country (transit or destination country). For payment of the total fare concerned, we can use the money paid by you for unused carriage or any means of payment of yours in our possession at the time. No refund will be made for the total fare paid for carriage to the place of refused entry or deportation.

17.7.2. In the event that we are asked to pay any penalties or fines, make a deposit on them or pay any other expenses due to the fact that you have not observed the regulations of the country concerned in respect of transit or entry or due to the fact that the documents required by the given regulations are either not in order or not available at the time, you are then obliged at our request to reimburse us for the penalties or fines paid, the amounts deposited and the expenses incurred. Marabu or the employees of the operating carrier are entitled to use the means of payment in your possession at the time to cover the expenses concerned. The amount due for penalties and fines varies from country to country and can far exceed the total fare. In your own interest, you are therefore urgently advised to ensure that you comply with the entry regulations of the given country.

18. DATA PROTECTION

You acknowledge having provided Marabu with your personal data for the following purposes: the execution of your flight bookings, the purchase of any additional services required, the performance of entry formalities and the transmission of such data to the relevant authorities in connection with the execution of your flight. You authorise Marabu to forward the data concerned in order to fulfil the above-mentioned purposes

to its own offices, authorised agents, relevant domestic and foreign authorities, other airline companies and other providers of the above-mentioned services. We also make use of the assistance of external service provision companies within the framework of the customer care services we offer. Their members of staff are naturally subject to the same strict statutory data protection regulations as our own staff.

19. INSURANCE

Marabu recommends that you conclude a travel insurance package, particularly with regard to travel cancellation insurance for your flight (this can be booked separately), and insurance covering repatriation costs in the event of sickness, accident or death. This insurance is not included in the total fare. If you book insurance as part of your flight, Marabu is only the broker and tasked with collecting the insurance premium. The insurer is HanseMerkur Reiseversicherung AG, Siegfried-Wedells-Platz 1, 20354 Hamburg, Germany. Please note that it is necessary to notify a claim directly to the insurer and Marabu is not responsible for claim settlement.

20. NOTICE PURSUANT TO THE ANNEX TO REGULATION (EC) 2027/97 AS AMENDED BY REGULATION (EC) 889/02

This notice is required pursuant to Regulation (EC) 889/02; it does not constitute any basis for asserting compensation claims or for interpreting the provisions set out under the Montreal Convention. As we are obliged by law to publish this notice, it is not part of the carriage contract concluded between you and Marabu.

This notice summarises the liability rules applied by Community airline companies as required by Community legislation and by the Montreal Convention.

20.1. Compensation in the event of death or personal injury

There are no maximum liability limits in respect of the death or personal injury of passengers. In the case of personal damage up to an amount equivalent to 128,821 SDRs, the airline company cannot contest claims for compensation. In the case of claims for amounts in excess of that set out above, the airline company can defend itself against such claims by proving that it was not negligent or otherwise at fault.

20.2. Advance payments

If a passenger is killed or injured, the airline company must make an advance payment to cover immediate financial needs within 15 days of the identification of the person entitled to compensation. In the case of the passenger's death, the advance payment concerned must be no less than an amount equivalent to 16,000 SDRs.

20.3. Delays in the carriage of passengers

As far as delays in the carriage of passengers are concerned, the airline company is liable for any damage incurred as a result unless it took all reasonable measures to avoid the given damage, or it was impossible to take such measures. The liability for

any damage due to the delay in the carriage of passengers is limited to an amount equivalent to 5,346 SDRs. Any liability in accordance with Regulation (EC) 261/04 remains unaffected by this.

20.4. Delays in the carriage of baggage

As far as delays in the carriage of baggage are concerned, the airline company is liable for any damage incurred as a result unless it took all reasonable measures to avoid the given damage, or it was impossible to take such measures. The liability for any damage due to the delay in the carriage of baggage is limited to an amount equivalent to 1,288 SDRs.

20.5. Destruction, loss or damage to baggage

The airline company is liable for destruction, loss or damage to baggage up to an amount equivalent to 1,288 SDRs. In the case of checked baggage, it is liable even if not at fault insofar as the baggage was not previously defective. With regard to baggage that is not checked, the airline company is only liable for its culpable behaviour.

20.6. Higher liability limit for baggage

A passenger can benefit from a higher liability limit by making a special declaration no later than the time he or she checks in and by paying a surcharge.

20.7. Baggage complaints

If baggage is damaged, delayed, lost or destroyed, the passenger must provide the airline company with written notification to this effect as soon as possible. Passengers whose checked baggage sustains damage must provide written notification to this effect within 7 days; if baggage is delayed, written notification is required within 21 days.

20.8. Liability of contractual and executing airline company

If the air carrier actually operating the flight is not the same as the contractual airline company, the passenger has the right to address a complaint or a claim for damages to either.

20.9. Claim assertion deadlines

Any action in court to claim damages must be brought within two years of the date of arrival of the aircraft or of the date on which the aircraft should have arrived. The above requirements are based on the Montreal Convention dated 28 May 1999 that was implemented in the European Community via Regulation (EC) 2027/97 as amended by Regulation (EC) 889/02 and via the national legislation of the member states.

21. APPLICABLE LAW, JUDICIAL VENUE AND DISPUTE RESOLUTION PROCEDURE

21.1. Applicable law

The carriage contracts concluded with Marabu and these General Terms and Conditions of Business and Carriage are subject to the laws of Estonia.

21.2. Venue

Harju County court in Estonia will be the judicial venue for claims asserted by passengers under these General Terms and Conditions of Business and Carriage. This agreement on the judicial venue does not apply to claims asserted on the basis of the Montreal Convention or Regulation (EC) 261/04.

22. RAIL & FLY

22.1.1. "Rail & Fly" rail tickets can be booked only in conjunction with a Marabu flight (airline code MBU) via Marabu seat-only sales outlets either at a travel agent, at www.flymarabu.com or via the Marabu's Service Centre. The rail tickets can be used one day prior to the flight departure date, on the actual flight departure date and one day after. When selecting your train connection, kindly note that it must correspond to the direct route between your place of domicile and the departure airport.

22.1.3. We would like to point out that delays to services of rail service operator due to external circumstances can never be completely excluded. You should therefore select your rail connections such that you are able to appear at the check-in counter no later than 180 minutes prior to the planned departure time. You have sole responsibility for your timely arrival at the departure airport.

22.1.4. Cancellation of rail tickets (Rail & Fly) is possible free of charge up to 24 hours prior to your scheduled flight departure. After this time, no cancellation is possible, not even for the return rail journey. As far as the timely cancellation of the tickets is concerned, you are required to notify us of this in writing by returning the original rail tickets supplied to you. The point in time of cancellation depends on the time at which we receive notification of cancellation. The cost of carriage charged by the rail service operator is collected by us on behalf of the rail service operator.

22.1.5. If purchased online, the "Rail & Fly" product is available only on the German website.
